Let us introduce Bella Bagno Bathroom House company and European brand BelBagno.

Bella Bagno is an Australian company that is family-owned and is a part of an international group that has been selling plumbing and bathroom supplies for over 10 years. Our company is a result of a collaborative effort by a team of experts of this industry, including leading designers and engineers from Germany, Italy and other European countries. The Bella Bagno team is international with four central offices in Bologna (Italy), Moscow (Russia), Shanghai (China) and Sydney (Australia). We do not use simple and obvious solutions in our work.
